CHARACTER DESIGN

24th to 28th June 2024

A Residential Workshop Certified by MIT ADT University

So, you want to create cartoon characters but don't know where to start?

Designing cartoon characters can be daunting without proper guidance. Trying to establish yourself as an artist in this field alone can be challenging. Why? Because without direction or feedback, progress can be slow and uncertain.

Creating cartoons is a process. But fear not! Drawing is a skill that can be learned, and you can master it. By following a step-by-step approach, you can develop the ability to draw. There's no reason why you can't excel in designing cartoon characters.

In this Summer School event, you'll gain comprehensive knowledge and skills to craft delightful and captivating cartoon characters from scratch.

Highlights:

- Mastering Basic Shapes and Lines, Elevating with 3D Shapes.
- Drawing Subjects: Hands, Feet, Hair, Clothing; Inking and Coloring Techniques.
- Perfecting Posing, Facial Expressions; Crafting Modern Cartoon Style.

CHARACTER DESIGN

A 5 Days Residential Workshop

workshop by

Ashish Sheje

Ashish, a proficient Pre-production Artist and 2D animation expert, doubles as a devoted educator, merging practical experience with teaching finesse. With a Master's in Arts from Rabindranath Tagore University and a Diploma in Art and Animation from The College of Animation Bioengineering & Research Center Amravati, his 15+ years in the industry have seen him excel from in-between/Cleanup artist to roles like Character Designer and Storyboard Artist, making him highly sought-after. Furthermore, Ashish's impactful contributions in animation education, spanning prestigious institutes like Inurture Education Solutions Pvt. Ltd. and Reliance AIMS, reflect his passion for nurturing creative minds and aligning skills with industry demands.

His teaching philosophy revolves around nurturing creativity in students while equipping them with practical skills and industry insights. Ashish aims to contribute significantly to the growth and evolution of the animation industry by empowering the next generation of animators, inspiring a positive ripple effect in the world of animation.
