

# Urban Landscape Painting

24<sup>th</sup> to 28<sup>th</sup> June 2024

## Introduction

The 5-day urban landscape painting workshop is designed to help participants explore and capture the unique beauty and character of urban environments through painting. Through a combination of demonstrations, practical exercises, and individual guidance, participants will learn various techniques and concepts essential for creating compelling urban landscape artworks.

## Highlights:

- Introduction to urban landscape painting, including history and basic techniques.
- Focus on perspective, proportions, and outdoor painting session.
- Techniques for capturing light and shadow, with painting exercises.
- Adding life and movement through figures and activity.
- Refining skills, final painting session, and feedback/certificates.
